ABOUT US

OF BUSINESS
ACHIEVEMENTS

WHO WE ARE

Born of a Saudi Arabian heritage, ATLAS BAY was established in the Saudi Arabia in 2007 as a base of operations to launch into the growing Saudi Arabian markets with our specialist construction techniques and services.

ATLAS BAY foundation is based on industry leading and international construction techniques and processes. ATLAS BAY today operates using the same cutting-edge construction techniques and management standards which continue to deliver success for all our clients.

OUR GROUP

Atlas Bay Company Ltd. which includes Atlas Bay Contracting, Atlas United Trading (AUT) and Atlas Bay Information Technology. Across the Group there is a wealth of skills and resources and these can be shared across the groups as and when required. As a company we strive for the very best, and we demand the same of all our staff.

Our biggest priority as a group is to bring forth value to our clients in terms of negotiation, product quality and pricing. We believe that value creation is an essential part to client satisfaction and business success. Responding innovatively to difficult solutions is what sets us apart from our competitors.

VISION, MISSION & PHILOSOPHY

VISION

Vision of Atlas Bay Company Ltd. is to be a company that inspires the world by bringing dream projects to live. We are determined to become a top-class group by developing into a total solution provider that uses experiences accumulated from various projects to develop and provide value to customers.

MISSION

Mission to work with innovative ideas and integrating most advanced technologies for the success of the projects. While assuring sustainable growth for employees and environment.
